

Shelter Helper

Homeless shelters lack a reliable platform to manage their resources & help those in need.

The screenshot shows a mobile application interface for 'Shelter Helper'. At the top, there's a header with 'Roots Shelter' and 'Shelter Helper'. Below the header, it says 'George Crow'. Underneath the name, there are several data fields: 'Birth Date: 04/13/85', 'Ethnicity: Other', 'Gender: Male', 'State: WA', 'State Issued ID: CrowAW13OAG', and 'SSN: 7320'. There are also two questions with answers: 'Have you ever been in Foster Care? Yes' and 'How Long: 7 Years', followed by 'How long have you been homeless? 5 Months' and 'Have you ever served in the military? Yes'. At the bottom of the screen are three buttons: 'Edit Profile', 'Search Service', and 'Go'.

The screenshot shows a mobile application interface for 'Shelter Helper'. At the top, it says 'George's SNAP Eligibility'. It then lists 'Completed Requirements' (Name, Social Security Number, Washington Resident, Record of Homelessness) and 'Incomplete Requirements' (Family Information, Financials). At the bottom, there are two buttons: 'Print Results' and 'Apply Now'.

The screenshot shows a mobile application interface for 'Shelter Helper'. At the top, it says 'Gender' and 'Shelter Population'. Below that is a bar chart titled 'Gender Ratio of Shelter' with the following data: Female (35%), Male (60%), and Other (5%). There are buttons for 'Bar Graph' and 'Pie Chart'.
